

## **COMPLETE TERMS AND CONDITIONS OF SALE**

### **1. DEFINITIONS:**

The "Seller" means Preston Phipps Inc. "Buyer" means the legal entity purchasing Goods from Seller. "Goods" means the products offered by Seller and/or purchased by Buyer. "Offer" means any quote, proposal, or offer to sell Goods provided by Seller to Buyer. "Order" means any purchase order or similar instrument issued by Buyer to Seller to purchase Goods. Seller and Buyer are sometimes referred to herein individually as a "Party" and collectively as the "Parties".

### **2. ACCEPTANCE:**

The terms and conditions included in this "Terms and Conditions of Sale" document (hereinafter, this "Agreement") apply to all Offers made by Seller to Buyer and all Buyer's Orders accepted by Seller. Acceptance of Buyer's Orders, and any changes or amendments thereto, is expressly conditioned upon Buyer's assent to these terms and conditions. Unless specifically agreed to in writing by a duly authorized representative of Seller, Seller objects to, and is not bound by, any terms or conditions that differ from or add to the terms and conditions specified herein. Seller's failure to object to any terms and conditions or any other provisions contained in any communication from Buyer, including, but not limited to, Buyer's Orders, does not waive any of the terms and conditions specified herein. Seller's acceptance of any resulting Order or Buyer's receipt of Goods, whichever occurs first, will conclusively evidence Buyer's unconditional acceptance of these terms and conditions. A minimum order amount of \$50.00 Canadian applies

### **3. PRICES:**

Unless stated otherwise in writing by Seller, all prices are stated in Canadian dollars and the prices offered are valid for a period of fifteen (15) days from the date of Seller's Offer. The prices offered apply only to the specific quantities, specifications, and delivery schedules set forth in Seller's Offer. Any variation in quantity, specifications, or delivery schedules may necessitate a price and/or delivery schedule adjustment.

Prices are based on exchange rates and cost of raw materials applicable at time of quotation. Preston Phipps Inc. reserves the right to revise pricing upon receipt of a formal purchase order if exchange rate and/or cost of raw materials has fluctuated more than 10% from applicable rates at time of the quote.

### **4. CREDIT APPROVAL:**

Unless stated otherwise, payment terms for first time orders are subject to credit approval of Buyer by Seller. Payment terms for first time orders may be cash in advance by wire transfer, credit card payments (subject to 2% surcharge) or an irrevocable letter of credit confirmed with Seller's bank. Credit terms, shipments, and performance of work are at all times subject to the approval of Seller's Credit Department. Each shipment is a separate and independent transaction and payment must be made by Buyer accordingly. If, prior to shipment of Buyer's Order, Buyer fails to fulfill the terms of payment of any prior invoice submitted by Seller or, in the opinion of Seller, Buyer's financial condition becomes impaired or unsatisfactory, Seller reserves the right to change, without notice, the terms of payment and/or delay or discontinue further shipments, without prejudice to any other available legal remedies, until past due obligations have been paid and Seller has received acceptable assurance regarding Buyer's prompt payment of future obligations. All amounts due to Seller but not paid by Buyer on the due date bear interest payable by Buyer to Seller at a rate of two percent (2%) per month. Interest accrues on the balance of unpaid amounts as of the date on which portions of those amounts become due until the date payment is received by Seller. Buyer will also be liable to Seller for any expenses incidental to collection of past due amounts, including reasonable attorney's fees and court costs. In the event of Buyer's bankruptcy or insolvency, Seller is entitled to terminate any Order then outstanding and to receive reimbursement for termination costs and expenses as provided under Article 12, Termination for Default.

All items must be released for fabrication by the Buyer no more than ten (10) business days after the Seller has submitted drawings for approval to the Buyer or the order may be subject to a price revision due to escalation, currency fluctuation and/or variation of cost of raw materials.

Title to materials in this contract shall remain with the seller until the goods supplied are paid in full.

### **6. PLANS AND SPECIFICATIONS:**

If the order received refers to supplying good as per plans and specifications, supplier will be responsible to provide quoted equipment in accordance with said plans and specifications, unless exceptions were taken at time of quote, but all general commercial terms, including payment, will be as per present terms and conditions. Holdbacks will not be accepted.

**7. TAXES:**

Taxes applicable to the sale or lease of Goods will be added to the invoice and must be paid by Buyer, unless the Buyer provides Seller with a tax exemption certificate acceptable to the applicable taxing authority.

**8. SHIPPING TERMS AND RISK OF LOSS:**

Unless stated otherwise, all prices and shipment for domestic deliveries are Ex-Works seller's place of shipment, and all prices and shipment for international deliveries are Ex-Works, as defined by INCOTERMS 2000. Unless stated otherwise, shipment of goods includes one (1) delivery to Buyer for the totality of items ordered. Risk of loss for Goods will transfer to Buyer upon Seller presenting Goods to carrier. If Seller prepays shipping, insurance, or other related costs, Buyer agrees to reimburse Seller promptly for the actual costs incurred by Seller.

**9. TOOLING:**

Unless otherwise provided by special written agreement signed by Seller and Buyer, all tooling, fixtures, equipment, tools, software, and designs produced, acquired, or used by Seller for the purposes of filling Buyer's Order remain the property of the Seller.

**10. PACKING AND PACKAGING:**

Any non-standard or special packing or packaging required by the nature of the order or requested by Buyer will be provided by Seller at additional cost to Buyer.

**11. INSPECTION AND TESTS:**

All Goods manufactured by Seller are subject to Seller's standard inspection processes and, if applicable, acceptance testing at Seller's facility. Any additional requirements, including, without limitation, Buyer's source inspection or additional testing, are at Buyer's sole expense. If Seller and Buyer agree that Buyer is to inspect or provide for inspection at the place of manufacture, such inspection may not interfere unreasonably with Seller's operations and the Buyer's approval or rejection of Goods based on such source inspection and/or testing must be made prior to shipment of the Goods.

**12. DELIVERY SCHEDULES AND FORCE MAJEURE:**

Shipping dates are approximate and require prompt receipt of all necessary Buyer-furnished information and material if applicable. Seller is not liable for any damages, re-procurement costs, or penalties related to late deliveries. Without limiting the generality of the foregoing, Seller is not liable for delays due to force majeure, including, but not limited to, weather conditions, acts of God, acts of civil or military authorities, fires, strikes, job actions, floods, earthquakes, epidemics, quarantine restriction, war, terrorism, riot, supplier or vendor delays, or any other causes beyond the reasonable control of Seller. In the event of such delay, Seller will promptly notify Buyer and the date(s) of delivery will be deferred for a period commensurate with the time lost due to the delay. If the excusable delay under force majeure continues for more than ninety (90) days, Seller and Buyer will each have the option of terminating the affected Order(s) under Article 11, Termination for Convenience. If Seller's production is curtailed for any of the above reasons so that Seller is unable to deliver the full quantity of Goods scheduled for delivery to Buyer, Seller may allocate deliveries of available Goods among its various customers then under order for similar Goods. The allocation will be made in a commercially fair and reasonable manner. When such allocation has been made, Buyer will be notified of the estimated quota made available.

**13. TERMINATION FOR CONVENIENCE:**

Buyer may request to terminate Buyer's Order for convenience in whole or in part and Seller agrees to cooperate with Buyer in attempting to make such arrangements conditioned on Buyer paying Seller for all deliveries made and for all work in process, including all applicable direct and indirect costs, settlements with suppliers, and related administrative, accounting, and legal costs, plus a normal profit. To the extent possible, Seller will use reasonable commercial efforts to divert materials and work in process from Buyer's Order to other customers' orders in order to minimize Buyer's termination costs.

**14. TERMINATION FOR DEFAULT:**

Either Party may terminate the Order if the other Party breaches a material provision of this Agreement or of the Order. In the event that a Party (the "Defaulting Party") is in breach of a material provision of this Agreement or the Order, the other Party (the "Non-Defaulting Party") will submit a written cure notice to the Defaulting Party advising of such breach. The Defaulting Party will have fifteen (15) days to cure the breach. If the Defaulting Party does not cure the breach within the fifteen (15) days period, the Non-Defaulting Party may terminate the Order.

**15. CHANGES ORDERS AND AMENDMENTS:**

All change order requests must be submitted by the Buyer to the Seller in writing and will not be effective unless and until Seller consents in writing to the change(s). Seller will advise Buyer in writing of the price and/or delivery schedule impact, if any, of the change request. Seller's acceptance of changes will be subject to Buyer's agreement to any price and/or delivery schedule adjustments.
