If you do not agree with or you are not comfortable with any aspect of the Privacy and Cookies Statement, please do not use the Website or our services. We reserve the right to modify this Privacy and Cookies Statement at any time. Your continued use of any portion of the Website following notification or posting of such changes will constitute your acceptance of those changes.

3. Information We May Collect from You

We may collect and process the following data about you:

- 3.1 information that you provide to us when using this Website, such as name, company name, position, address, e-mail address, telephone number;
- 3.2 if you contact us for any reason, we may keep a record of that correspondence;
- 3.3 we may also ask you to complete surveys that we use for research purposes, although you do not have to respond to them;
- 3.4 details of your visits to the Website including, but not limited to, traffic data, location data and other communication data and the resources, advertisements and linked sites that you access.

4. **Storage of Your Personal Data**

4.1 All information you provide to us will be stored on our secure servers.

4.2 Unfortunately, the transmission of information via the Internet is not completely secure. Although we will do our best to protect your personal information, we cannot guarantee the security of your data transmitted to our Website; any transmission is at your own risk. Once we have received your information, we will use strict procedures and security features to try to prevent unauthorized access. We have security in place such as firewalls, backup and other appropriate technical security measures.

5. **Uses of Your Information**

5.1 We use information held about you:

5.1.1 to ensure that content from our Website is presented in the most effective manner for you and for your computer;

5.1.2 to contact or inform visitors in order to timely deal with and solve the problems they feedback to us or consult us about marketing activities, promotions or other contents that may be of interest to you;

5.1.3 to notify you about changes to our Website; and

5.1.4 to conduct statistics and analysis of visitors to the site.

5.2 We may combine information provided by visitors and information authorized or legally shared by our affiliates or business partners for comprehensive statistics and analysis, in order to better meet the personalized needs of visitors (such as enabling visitors to view more personalized website content).

5.3 We do not, without your consent, disclose information about identifiable individuals to third parties, but we may provide anonymized statistical data to them for research and survey purposes. We may also use such information to help advertisers reach the kind of audience they want to target. We may make use of the personal data we have collected from you to enable us to comply with our advertisers' wishes by displaying their advertisement to that target audience.

6. **Disclosure of Your Information**

We will comply with relevant laws and regulations and keep the personal information of visitors confidential. We will not disclose your personal information publicly unless we have your prior express consent or authorization or are required by law to do so. In addition, according to relevant laws and regulations and national standards, we may share, transfer and publicly disclose personal information without prior authorization of the subject of personal information:

7. **Security**

We take your online security very seriously and this Website has security measures in place to protect the loss, misuse and alteration of the information under our control. However, as no data transmission over the Internet can be guaranteed as 100% secure, we cannot ensure or warrant the security of any information you transmit to us and you transfer the data at your own risk. We endeavor to use appropriate security measures.

8. **Cookies**

8.1 What Are Cookies

Cookies are small files that store information on your hard drive or browser that

means that our Website can recognize that you have visited our Website before. They make it easier for you to maintain your preferences on the Website, and by seeing how you use the Website, we can tailor the Website around your preferences and measure usability of the Website.

8.2 What Do We Use Cookies For

We may collect information about your computer, including where available your IP address, operating system and browser type, for system administration, to record aggregate information and/or to assist you in answering questions in connection with our services. This may in some instances only be statistical data about how you browse our Website.

For the same reason, we may obtain information about your Website usage by using a cookie file which is stored on the hard drive of your computer. Cookies contain information that is transferred to your computer's hard drive. Cookies help us to improve our Website and to deliver a better and more personalized service. They enable us:

- 8.2.1 to estimate usage numbers and patterns;
- 8.2.2 to store information about your preferences, and so allow us to customize our Website according to your individual interests; and
- 8.2.3 to recognize you when you return to the Website.
