## Intellectual property

According to the measures of the code of intellectual property all the present elements on the site (images, logos, comments, brands, etc.) constitute a protected original work by measures relative to intellectual property, to database law, to trademark law and to design rights, and are the exclusive property of their authors and/or respective holders during the legal duration of protection.

So any reproduction or representation, total or partial of this site is prohibited.

The creation of hypertext links pointing towards one or several page(s) of this site requires the preliminary agreement of the director of publication. Any link which will not previously have been authorized must be removed on simple request.

## Protection of personal data

The personal data required for the sending of a message by way of the module of contact is listed in no database and will be disseminated on no account or sold to third parties whatsoever.

## Responsability

All the information indicated on this site is given for information purposes only, and may be subject to change. Transports Antoine cannot be held responsible for omissions, for inaccuracies and for deficiencies in the update.

## Hyperlinks and cookies

This site contains hyperlinks towards other sites, however, Transports Antoine does not have the possibility of verifying the contents of sites so visited, and hence will not be held responsible. The navigation on this site may cause the installation of cookies on the computer of the user. These files are used to improve and to simplify your navigation but they do not allow the identification of the user. Cookies refusal will not prevent the connection to our site but may limit its functionalities.

## The main concerned laws

The Law n°2004-575 of June 21st, 2004 for the confidence in the digital economy; in particular the article 6.

The Law n°78-17 of January 6th, 1978 relative to the computing, to the files and to the liberties for the questions of personal data processing.
