INCOTERMS 2020 AND PAYMENT TERMS IN GLOBAL TRADE

Expanding your business globally brings a world of opportunities, but it also comes with its fair share of complexities. One critical aspect of international trade is understanding and selecting the appropriate Incoterms rules.

If you are looking to navigate the intricacies of these rules and make informed decisions for your international business, this program is designed for you. In this interactive session, we will take you on a journey through the Incoterms 2020 rules, helping you understand their nuances and equipping you with the knowledge needed to make informed decisions for your international business.

Overview of International Payment Methods: We will provide an overview of the common payment methods used in international trade. This includes traditional methods such as letters of credit, documentary collections, and telegraphic transfers, as well as modern digital payment solutions.

By the end of this program, you will be equipped with the knowledge and confidence to choose the right Incoterms rules for your international business. You will understand how to negotiate contracts effectively, manage risks, and ensure smooth operations in your global trade transactions.

Do not miss this invaluable opportunity to learn from industry experts, connect with fellow international traders, and elevate your business to new heights in the global marketplace.

The program will be highly useful and relevant for Exporters / Importers / SMEs / MSMEs / Entrepreneurs / All the aspirants for international trade.
